## ► About Us

AKJ chosen electrical products for his start up trading business in the year 1996. By adoption of market suited and customer focused strategy periodically, to cater to the ever changing dynamics in the market , SUCCESS is the end result coupled with SUSTAINED GROWTH year on year with the patronage of many leading firms involved in trading, servicing ,OEM., manufacturing, building etc. Resultantly AKJ has attained the prime position with wide reputation, as one of the TOP Performers in Southern India.

On the strength of relentless & strenuous efforts, having achieved the phenomenal growth under trying circumstances, and also having tasted hard earned success for nearly 25 years, now under **"HELLO BRAND"** ventured to diversify into various allied businesses by establishing manufacturing/branding unit for **MCB, SWITCHES, DISTRIBUTION BOX, CABLE TRAY** etc while undertaking "white labeling" for various reputed brands. Under **"HELLO BRAND"** , AKJ, confidently like to go for further diversification and planning to launch **"EV BATTERY CHARGERS & STABILIZERS"**

Under HELLO Group we are already made our presence in diversified activities like,

1. Trading
2. Solar energy power plants
3. Factory automation
4. Joint venture with reputed and renowned builders
5. Garment Fashion designing under the unit viz., "NOTSOSURE"
6. Vendors to Government departments
7. Owning manufacturing units at Mumbai & Tiruvallur (T. Nadu)
8. Electrical Panels

Presently as listed above, Our structured and meticulous expansion has created a strong network in Tamil Nadu, Karnataka, Andhra Pradesh, Telangana and also at Madhya Pradesh, Chattisgarh & Maharashtra.

Our Motto is not just sale of product . But our cherished vision is to supply products of high standard to reach the common man at an affordable cost.

We are committed to serve the society by involving in various social activities & public services.

Our Mission is to achieve and expand into PAN INDIA.

# A World Of new

We believe in innovative products and also the major competitors in switches and other home electrical accessories across the country. We have always come up with new home electrical solutions that have exceeded market requirements and expectations. We have a continuous commitment to quality to please our customers.

We endeavor to provide high-quality products that provide our clients with the highest expected experience. We are flexible and attentive to changing demands, and we welcome opportunities to learn from our global expertise.

Our clients' safety is of paramount importance to us. We put our product through a variety of testing and inspections to ensure that it is absolutely non-hazardous.

## You Have The Power To Conserve

Hello Power Strip Was Created To Safeguard The Circuit Against Over Voltage Caused By A Rapid Intake Of Direct Current.

To Avoid This, The Power Board Is Outfitted With Voltage Protection Technology. For Optimal Multitasking, The Power Converter Includes 4 Distinct Power Sockets.

The Power Board Guarantees That The Same Amount Of Electricity Is Provided To All Plugged-in Devices. The Chips Guarantees That The Power Board Is Both Discreet And Efficient. It Contains The Most Recent Power Conversion Technology, Making It An Indispensable Utility In Everyday Electronics!
